

CGN Flight Safety Briefing

June 2024

Next construction phase on taxiway B starting approx. June 11th

Please be aware of interim taxi routes due to ongoing construction work of taxiway B (BA 4).

Key impact on flight ops:

- The intersection TWY B/TWY A is available again. Normal taxi procedures can take place according to clearance
- Closure of TWY B between aircraft stands B14, E09/10 and apron A
- Marshaller guidance is always available on request
